

# Old Assyrian Bibliography 2

July 2006 - April 2009

By Cécile Michel (Nanterre)

This second addition to the Old Assyrian Bibliography follows the structure of OAAS 1 [C. Michel, *Old Assyrian Bibliography of Cuneiform Texts, Bullae, Seals and the Results of the Excavations at Aššur, Kültepe/Kaniš, Acemhöyük, Alişar and Boğazköy*, Leiden, 2003] and OAB 1 [C. Michel, *Old Assyrian Bibliography 1* (February 2003 - July 2006), *AfO* 51 (2005-2006), p. 436-449]. It contains corrections and additions to OAAS 1 and OAB 1: books and articles published between July 2006 and April 2009, titles published before and forgotten in OAAS 1 and OAB 1, reviews, new tablets discovered during the excavations or housed in private collections, line quotations of tablets preserved in the Museum of Anatolian Civilizations in Ankara, etc. I wish to express my gratitude to all the colleagues who helped with this supplement, especially İ. Albayrak, M. Çayır, J. G. Dercksen, L. G. Gökçek, C. Günbattu, K. Hecker, M. Forlanini, A. Karaduman, C. İ. Karasu, G. Kryszat, F. Kulakoğlu, R. Kuzuoğlu, M. T. Larsen, S. Ö. Savaş, M. Stol and K. R. Veenhof. Old Assyrian Texts found before 1948 and those published in AKT 1-4 and TPAK 1 are given in transliteration by K. Hecker on the website <http://www.hethport.uni-wuerzburg.de/altass/> and by the OATP on the website <http://www.cdli.ucla.edu>.

This bibliography is prepared within the frame of the collaborative *Old Assyrian Text Project* (OATP) which involves a close collaboration between a group of scholars: G. Barjamovic, J. G. Dercksen, Th. Hertel, G. Kryszat, M. T. Larsen, A. W. Lassen, S. Lumsden, C. Michel and K. R. Veenhof.

For all the texts quoted in OBO 160/5, I refer to the detailed index of the volume, p. 358-369.
